### **How Does It Work?**

Go to [www.flexischools.com.au](http://www.flexischools.com.au) and click "Register Now" in the Login Box. Then enter your student's name, school and class, and add funds into a pre- paid account. You can log into the website at any time to place orders, up until 9:00am on the day of the order. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre- set minimum.

Each order is sent automatically to the Canteen, where an easy-to-read label is produced with the student's name, class and order details. At lunch time, the students order is picked up in their class lunch tub with no need for cash.

### **Reasons why you should order online:**
