Need help?

Read our FAQs or watch our quick How To videos.

Log on

Log on to your online, mobile or phone bank.

[Find your online bank >](#)

Pay your bill

Choose the BPAY or Pay Bill option and follow the prompts to choose the biller, amount, payment account and pay date. Then record your receipt number - and you're done! It's as simple as that.

And you're done!

To pay more than one bill simply repeat the process as many times as you need.

**BPAY is accessible anywhere and anytime you have access to your online, mobile or phone bank.

BPAY QR Codes on bills - One-click bill payments*

It's hard to believe you could make BPAY payments even faster by using BPAY QR (quick response) Codes via your mobile banking app, you can do just that.

QR Codes allow you to upload information more quickly, simply by scanning the QR Code with your mobile or tablet device. Just one click* and it's paid.

[Watch our tutorial on BPAY QR Codes >](#)

To use this facility, your bank has to offer the QR Code scanner within their banking app.

[Search to see if your financial institution offers BPAY QR Code scanners >](#)

BPAY QR Code scanning functionality

Allowing you to upload BPAY payment information quickly and simply by scanning the QR code on your bill from within your mobile banking. Just one click* and it's paid.

*The process may vary slightly between Financial Institutions.
