

Cybersafety Policy

Inaburra has been accredited to be an eSmart school. We successfully completed the accreditation phase in 2013. We endeavour to teach students to be Smart, Safe and Responsible in their use of technology, both during their time at school and in their lives beyond.

See [eSmart](#) for more information.

The Federal Government has provided an important resource known as the 'cybersafety button'. We encourage parents, teachers and students to use this button to 'Talk, report and learn' about cybersafety.
