

One of the key objectives of the Inaburra Parents and Friends Association is to build a community and in reflecting on year that has been, it is my opinion, we continue to have a strong community framework which is built on patience, tolerance and shared commitment to our School.

Over the past year our Parents and Friends community has:

- Organised and hosted a terrific fete and open day which was supported in so many ways by our parent community.
- Honoured our Inaburra mothers at a lovely breakfast event and held a stall for our junior school children to purchase special gifts for their Mother's Day.
- Celebrated our Inaburra fathers at the annual Father's Day breakfast and stall
- Inaburra P&F volunteers served our grandparents to our Junior School on Grandparents Days
- We also had a bit of fun at our trivia night and said thank you to our Junior School Teachers at the annual End of Year function at Hazelhurst Art Gallery.
- Held numerous meetings covering topics relevant to the education of our children and the operations of the School.

Through all these events we have been knitting and weaving a wonderful fabric that is our community.

To host all these activities we generously receive the help of many; thank you to all our members who have contributed in so many ways – be it on Fete Day, donating items, helping on stalls or attending meetings to give feedback or taking an active role in the operations of the Parents and Friends Committee.

Thank you to the Committee members for your service to the School – it is a fine example you set for your children.

Another objective of our organisation is to fundraise to support the School. This year we have donated \$100,000 to the School to be used for the upgrade of the mathematics classrooms in senior school which some of the last rooms in original condition. The fundraising in 2020 will again support the mathematics classroom upgrade and we will also allocate funds for the upgrade of the Performing Arts Centre kitchen to include a dishwasher and oven.

In closing, I would like to thank all of the staff for their ongoing support, engagement and commitment to the parent community. Our organisation is generously supported by the teaching staff, communications team, the Canteen staff, the maintenance team and the administrative support staff.

Thank you also to the School leadership team – James, David and Andrew for your generosity with your time, communication and openness at all our meetings.

Finally, I would like to thank the members of the Parents and Friends Association for the opportunity and privilege to serve in this role and please get in touch if we can help in any way.

Meredith Laverty
President
Inaburra Parents and Friends Association
