### Account Payments - Late Payment Fees

The following fee schedule applies to late payments:

| AMOUNT RANGE OF ARREARS |          | MONTHLY FEE             |
|-------------------------|----------|-------------------------|
| Minimum                 | Maximum  |                         |
| \$1                     | \$1,000  | \$5                     |
| \$1,001                 | \$2,000  | \$10                    |
| \$2,001                 | \$3,000  | \$30                    |
| \$3,001                 | \$5,000  | \$50                    |
| \$5,001                 | \$7,000  | \$70                    |
| \$7,001                 | \$10,000 | \$100                   |
| \$10,000 and above      |          | \$120 or by arrangement |

We would prefer not to have to deal with overdue accounts as they take up a great deal of time and effort. We seek your support in ensuring the prompt payment of fees in the normal term. The late fee structure is to help cover interest costs and the costs involved in collecting and following up late payments
